

An aerial photograph of a large, clear blue lake surrounded by dense green forests. In the center of the lake, there is a small, rounded island also covered in trees. The foreground shows the top of a tree with thick, green, segmented branches, likely a Nothofagus species. The overall scene is bright and scenic, suggesting a natural park or national forest.

01. SANTIAGO CITY TOUR

Departure from your hotel, at 9 a.m. We will begin the excursion from the San Francisco Church, built between 1572 and 1618, then we will visit the "Club Hípico" horse-race track, which is considered one of the most beautiful in South America, featuring its turn-of-the-century architecture. It will be a 20-minute stop to take photographs, before continuing our tour to downtown, passing the Cousiño Palace and other monuments and public buildings such as La Moneda, the current seat of government,. We will stop at La Constitución square for about 15 minutes, and then continue on to the Plaza de Armas, where we will see the Cathedral, the Central Post Office, the Santiago City Hall, and the National Historical Museum. We will continue our tour to the Santa Lucia Hill, where Pedro de Valdivia founded the city in 1514, and make a 15-minute stop to enjoy the panoramic view of downtown Santiago. We will then cross the Mapocho River and enjoy the view of residential areas with their stately houses, parks and large shopping malls, and visit a fine lapis lazuli handcraft shop. On our way back, we will ride through sectors of great tradition and bustling commercial and social activity.

02. VALPARAISO AND VIÑA DEL MAR EXCURSION:

Departure from your hotel, at 9 a.m. in direction to Valparaíso, where we will enjoy the extraordinary view of houses clinging on to the hills that nestle Chile's main commercial port, and current legislative headquarters. Valparaíso has once again taken up its path into progress, after being one of the premier ports in the Pacific Ocean in the past century. A complete and panoramic view of Valparaíso includes a visit to "La Sebastiana", home-museum of Pablo Neruda, Chile's Nobel Prize laureate. Continuing our trip, we will take the coastal highway to Viña del Mar, capital of Chilean tourism, also called the Garden City, for its charming parks, walkways, and buildings. Its renowned Casino is a sample of the aristocratic and exclusive stamp that its founder, Don José Francisco Vergara, imprinted on the city. On our ride through Viña del Mar's beaches, we will see Reñaca, its main resort beach with its trendy restaurants and modern Mediterranean design architecture. At mid afternoon, we will take the coastal highway toward the Agua Santa route in our way back to Santiago.

03. ISLA NEGRA AND POMAIRE EXCURSION:

Departure at 9:00 am from your hotel in direction of Route 68 to the Isla Negra beach resort that owes its name to its dark colored sand.

We will visit one of Pablo Neruda's houses, 1971 Nobel Prize Laureate. After the visit to the house museum, we will take a lunch break (lunch not included) and in the afternoon we will continue our trip south through resorts such as El Tabo, Las Cruces, San Sebastián and Cartagena. Afterwards, we will take the Del Sol Freeway and visit Pomaire, a town that preserves tradition and customs through its pottery, which we will appreciate in its wide-ranging variety, handcraft in pottery wheels, or completely by hand. Return to hotels at approximately 6:30 pm.

04. VALLE NEVADO EXCURSION:

You cannot miss the opportunity to see our Andes Mountains and enjoy an excursion to four ski resorts centers.

Valle Nevado: located 3,000 meters above sea level, and 60 kilometers east of Santiago, it is Chile's most modern and largest ski center. We will also visit Farellones, El Colorado, and La Parva, located 34 kilometers east of Santiago, attracting most visitors due to the proximity to Santiago.

At the end of the excursion, passengers will be taken back to their hotels.
